MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Company's main object is Non-banking Finance activities. The market for this activity offers high potential for growth. Our Company provides solutions for situations like initial funding requirements of a project, mezzanine financing, project financing, bridge financing, short term and long term working capital requirements, etc. Our prudent business policies and selective approach has helped us to maximize value for our shareholders. Non-Banking Finance Companies (NBFCs) are an integral part of the country's financial system because of their complementary as well as competitive role.

❖ ECONOMIC & INDUSTRY OVERVIEW:

FY 2016-17 was a year of sweeping changes in the Indian economy, dominated by the demonetization initiative. The Indian economy advanced 7 percent year-on-year in the last three months of 2016, slowing from an upwardly revised 7.4 percent rise in the third quarter but beating expectations of a 6.4 percent growth. According to official statistics, demonetization hardly dented economic momentum. India's GDP growth slowed only marginally to 7% in Q4 from 7.4% in Q3

With the high-profile demonetization drive preceding it and a series of State legislature elections to follow, made 2017-2018 Union Budget an extremely critical financial event that the country has witnessed in the last decade or so

Some amendments in the existing Income Tax Act especially for the NBFCs could have helped in enhancing the efficiency of functioning of the sector.

NBFCs are vital cogs in India's institutional lending machinery that substantially support the Government's financial inclusion mission. However, the sector still needs freedom in terms of having diversified funding options that will also help in bringing down the final borrowing rates for customers.

Indian NBFCs have been effective in serving the unbanked customers by spearheading into retail asset –backed lending, lending against securities and microfinance. Primarily, they offer small business loans, financing of two wheelers and cars, loans for purchasing used commercial vehicles/Machinery. According to ICRA, NBFCs will account for 17.1% of total credit by FY 2018-2019 compared with 13.1% in FY 2014-2015 and 9.4% in FY 2005-2006

❖ NBFCs AND REGULATORY ENVIRONMENT

As a part of initiative taken by the Government NBFCs with the asset size of over Rs. 5000 million would be eligible as a financial institution under SARFAESI Act, which would significantly enable their ability to enforce collateral towards recovery dues from defaulting borrowers. Also from FY 2016-17 NBFCs are eligible for deduction to the extent of 5% of their income in respect of provision of bad and doubtful debts (NPAs) under Income Tax Act

On the regulatory front, NBFCs are regulated by the Reserve Bank of India (RBI) almost at par with banks. All the prudential norms for asset classification, income recognition, provisioning etc., are applicable to NBFCs in India. Given the continuously high levels of inflation through FY 13, the Reserve Bank of India (RBI) has no option but tighten monetary policies. This has resulted in an increase in domestic interest rates. The environment of high interest rates has a negative impact on sentiments of industries.

❖ SECTOR OVERVIEW -NBFCs – PERFORMANCE AND REGULATORY ENVIRONMENT

NBFCs are emerging as an alternative to mainstream banking. Besides, they are also emerging as an integral part of Indian Financial System and have commendable contributions towards Government's agenda of financial Inclusion. They have been to some extent successful in filling the gap in offering credit to retail customers in underserved and unbanked areas. Though India has a bank dominated financial system but recently Non Banking Financial Companies are competing with the banks in providing financial services and has been playing a complementary role with other financial institutions in the Indian Economy. In terms of financial assets, NBFCs have registered a robust growth, i.e. a compound annual growth rate (CAGR) of 19% over the past few years, consisting of 13% of the total credit and estimated to reach nearly 18% by 2018-19.

❖ OPPORTUNITIES

The sentiment in the Indian financial market has changed considerably over the past few years; the economic growth, though subdued for last couple of years, is likely to show positive momentum over the coming years. This has presented ongoing opportunities for financial intermediaries to spread and benefit from the investment culture across the country.

Following factors present specific opportunities across our businesses:

- Low penetration of financial services and products in India;
- Globalization - corporate are looking at expanding in domestic/overseas markets through merger & acquisitions;
- Growing midsize segment of corporate activity where the need for customized solution is particularly high;
- Regulatory reforms would aid greater participation by all class of investors;
- Emerging technology to enable best practices and processes;
- Size of the Indian capital market and favorable demographics like huge middle class, relatively large younger population with disposable income and investible surplus and risk taking abilities of the youth.
- many professionals from the domestic banking sector are now attracted to organisations like NBFCs, microfinance institutions and payment banks.
- With the growing magnitude assigned to financial inclusion, NBFCs have come to be regarded as significant financial intermediaries particularly for the small-scale and retail sectors
- NBFC have turned out to be engines of growth and is an integral part of the Indian financial system thereby increasing competition and diversification in the financial sector
- While mainstream banks have been crippled by the weight of their Non Performing Assets, NBFCS have responded positively to regulatory norms by addressing such risks through regulations

In this backdrop, Sungold Capital Limited has evolved into a strong and focused financial services organization over the years and is set to further accentuate its business growth.

❖ **THREATS**

Despite great opportunities, there are significant factors presenting threats to our businesses viz.

- Impact on economic growth of the rising prices of oil and industrial raw materials, decelerating investment demand and high inflation;
- Volatility in the Rupee-US Dollar movement due to various factors including current account deficit;
- Reducing capital expenditure by Industries;
- Regulatory changes impacting the landscape of business;
- Increased competition from local and global players operating in India;
- Continuous downward pressure on the fees, commissions and brokerages caused by an overbanked market and willingness of most players to deliver services at very low fees.
- Interest Rate Risk, Eco-political Risk and Competition Risk
- A higher cost of borrowings which is eventually passed on to their borrowers in the form of higher interest on loans.
- No access to low cost funds
- Cannot provide gifts/incentives or the other extra profit to the depositors.

However, your Company is well aware of the above threats and has worked steadily to strengthen its business operations by putting appropriate policies and measures in place and well positioned to counter any adverse threat successfully.

❖ **RISKS AND CONCERNS**

In the financial services sector, it becomes imperative to ensure that profitability does not come at the cost of asset quality. The Company has put in place adequate risk identification, risk management and mitigation processes to keep any such trade-off at bay. The Company has built robust systems and processes for both its verticals i.e. MSME and Wholesale Lending, to take care of the respective risks associated with them. It is also constantly gauging the external macroeconomic environment, market conditions, and government policies to ensure that the business is one step ahead of the industry and monetary cycles, thereby insulating the Company from downtrends and enabling it to ride uptrend.

However, in any business, risks and prospects are inseparable. As a responsible management, the Company's principal Endeavour is to maximize returns. The Company continues to take all steps necessary to minimize its expenses through detailed studies and interaction with experts.

Timely and effective risk management is of prime importance to our continued success. The risk for the Company arises mainly out of the risks associated with the operations we carry. Experienced professionals review and monitor risks in our Company. We have

comprehensive risk management policies and processes to mitigate the risks that are encountered in conducting business activities. The management also periodically reviews the policies and procedures and formulates plans for control of identified risks and improvements in the systems.

A risk/compliance update report is regularly placed before the Audit Committee/Board of Directors of the Company. The Directors/Audit Committee review the risk/ compliance update reports and the course of action taken or to be taken, to mitigate and manage the risks is taken.

❖ HUMAN RESOURCES

We are a dynamic and progressive group that actively fosters a challenging work environment and encouraging entrepreneurship. We groom leaders to drive our future in knowledge intensive, people driven business, such as, ours. We strive towards creating an empowering environment to support the development of highly motivated and skilled professionals in their pursuit of excellence. With trust being the critical part of our business belief, we lay strong emphasis on integrity, teamwork, innovation, performance and partnership.

Our organization is committed and focused on identifying and retaining the right talent to meet the overall business strategy and objective. The broad range of activity includes viz. robust manpower planning process in line with the business objective, enhancement of employee skill-sets by identifying training and development needs, retention programmes, reward and recognition, learning and development.

❖ INTERNAL CONTROL AND THEIR ADEQUACY

Your Company being in service industry has in place clear processes and well- defined roles and responsibilities for its employees at various levels. The Management has a defined reporting system, which facilitates monitoring and adherence to the process and systems and various statutory compliances. These have been designed to provide reasonable assurance with regard to maintaining proper accounting controls, monitoring economy and efficiency of operations, protecting assets from unauthorized use or losses, and ensuring reliability of financial and operational information published from time to time.

❖ CAUTIONARY STATEMENT

Statement in this Management's Discussion and Analysis detailing the Company's objectives, projections, estimates, estimates, expectations or predictions are "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include changes in Government regulations, tax regimes, economic developments within India and other countries within which the Company conducts business and other factors such as litigation and labour negotiations. The Company is not under any obligation to publicly amend, modify or revise any forward-looking statements on the basis of any subsequent developments, information or events.

Sustained strong performance by any company is directly linked to an organization's philosophy and levels of Corporate Governance. Keeping this important reality in view, your Company has always placed major thrust on managing its affairs with diligence, transparency, responsibility and accountability.

REPORT ON CORPORATE GOVERNANCE

Your Company's Corporate Governance is an ethically driven business process that is committed to values and conduct aimed at enhancing an organization's wealth generating capacity. This is ensured by taking ethical business decisions and conducting the business with a firm commitment to values, while meeting stakeholders' expectations. Good governance practices stem from the culture and mindset of the organization and here, we are committed to meet the aspirations of all our stakeholders and believes in adopting best corporate practices for ethical conduct of business.

The detailed report on Corporate Governance for the financial year ended March 31, 2017, as per the disclosure requirements prescribed in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, is set out below:

1. COMPANY PHILOSOPHY:

Company's Philosophy on Corporate Governance is a combination of voluntary practices and compliance with laws and regulations leading to delegation of operational powers to experienced staff members, effective control, oversight mechanism, strategies and policies which are constantly reviewed and strengthened to be in alignment with market realities and overall management of the organization.

In ensuring that the desired levels of Corporate Governance practices are imbibed in the organization and with a focus on its own fiduciary & trusteeship role, the Board of Directors of the Company seeks to evolve, strengthen and adopt structures and policies which would align and direct the actions of the organization towards creating wealth and shareholder value.

2. BOARD OF DIRECTORS:

An active, informed and independent Board is necessary to ensure highest standard of corporate governance. The Board lays down business strategy, sets strategic goals and seeks accountability for their fulfillment.

M/S. SUNGOLD CAPITAL LIMITED.

Report on the Financial Statements

We have audited the accompanying financial statements of **M/S. SUNGOLD CAPITAL LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2017 and its profit and its cash flows for the year ended on that date.

Annexure- B referred to in paragraph titled as “Report on the Internal Financial Controls under clause (i) of Sub- section 3 of Section 143 of the Companies Act, 2013” (“the Act”)

We have audited the internal financial controls over financial reporting of SUNGOLD CAPITAL LIMITED (“the Company”) as of 31st March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ACCOMPANYING NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2017

1 **Corporate Information:**

Sungold Capital Limited (“the Company”), incorporated in 1993, is a non deposit taking Non Banking Financial Company (“NBFC”) as defined under section 45-IA of the Reserve Bank of India (“RBI”) Act, 1934 and is engaged in the business of financing and is listed on both the Bombay Stock Exchange (BSE) and Ahmedabad Stock Exchange (ASE).

2 **Significant Accounting Policies:**

a. **Basis of Preparation of Financial Statement :**

The Company follows mercantile system of accounting and recognizes income and expenditure on an accrual basis. Financial Statements are prepared under historical cost convention, in accordance with the Generally Accepted Accounting Principles in India (GAAP) and comply in all material aspects, with mandatory accounting standards as prescribed under section 133 of the act read with rule 7 of the companies (Accounts) Rules, 2014. The significant accounting policies followed by the Company are set out below.

Current assets do not include elements which are not expected to be realised within one year and current liabilities do not include items which are due after one year.

b. **Use of Estimates:**

The preparation of financial statements require the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses for the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods. Example of such estimates includes provision for non – performing loans, provision for employee benefit plans and provision for income taxes. Differences in actual and estimated results are recognized in the period in which the result is materialized.

c. **Revenue Recognition:**

- i) Income from Entertainment division, distribution and exhibition of drama and film is recognized on accrual basis.
- ii) Interest is recognized on the time of proportion basis taking in to accounts the amount outstanding and the date applicable. In case of Non Performing Assets (NPA) interest income is recognised upon realisation as per the RBI Guidelines. Interest accrued and not realised before the classification of the asset as an NPA is reversed and credited to the interest suspense account.
- iii) Income from dividend on shares of corporate bodies and units of mutual funds is accounted on accrual basis when the Company’s right to receive dividend is established.
- iv) In respect of other heads of Income, the company follows the practice of accounting on accrual basis.

d. **Fixed Assets & Depreciation:**

Tangible Assets:

Fixed assets are stated at cost less accumulated depreciation and impairment, if any. The cost of fixed assets comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Subsequent expenditure incurred on assets put to use is capitalized only when it increases the future benefit / functioning capability from / of such assets.

Intangible Assets:

Intangible assets are stated at cost of acquisition less accumulated amortization/depletion. The costs and expenses attributable to the intangible assets are capitalized.

The useful life estimates prescribed in Part C of Schedule II to the Companies Act, 2013 are generally adhered to, except in respect of asset classes where, based on technical evaluation, a different estimate of useful life is considered suitable. Items costing less than Rs 5,000/- are fully depreciated in the year of purchase. The company has estimated Nil residual value at the end of the useful life for all block of assets.

The Management estimates the useful lives for the other fixed assets as follows:

Sr No	Fixed Assets	Estimate useful life
1	Computer	3
2	Furniture	5
3	Mobile	3
4	Office Equipments	5
5	Projector	5

e. Depreciation:

Pursuant to the enactment of Companies Act 2013, the company has applied the estimated useful lives as specified in Schedule II, except in respect of certain assets as disclosed in Accounting Policy on Depreciation, Amortization and Depletion. Accordingly the unamortized carrying value is being depreciated / amortized over the revised/remaining useful lives.

f. Investments:

All investments are held as long term Investments, unless otherwise mentioned and are stated at cost. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary.

g. Provision for Current Tax and deferred Tax:

Tax expense comprises both current and deferred tax at the applicable enacted/substantively enacted rates. Current tax represents the amount of income tax payable in respect of the taxable income for the reporting period.

Deferred tax represents the effect of timing differences between taxable income and accounting income for the reporting period that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognized only to the extent there is reasonable certainty of realization in future. Such assets are reviewed as at each Balance Sheet date to reassess realization. Deferred Tax Asset and Liability are netted off and disclosed in the balance sheet under the Head “Deferred Tax Asset / Liability”

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

h. Provisions & Contingent Liabilities:

The Company recognized provision when the company has a legal and constructive present obligation as a result of a past event, for which it is probable that outflow of resources will be required and a reliable estimate can be made of the amount of the obligation. In cases where the available information indicates that the loss on the contingency is reasonably possible but the amount of loss cannot be reasonably estimated, a disclosure is made in the financial statements. Provisions are reviewed at each balance sheet date and adjusted to reflect the current management estimates. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

A disclosure of contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resource is remote, no provision or disclosure is made.

Contingent assets are not recognized in the financial statements.

Contingent liabilities are disclosed when there is a possible obligation that may result in an outflow of resources. Contingent assets are neither recognized nor disclosed. Contingent Liabilities not provided for: NIL .Contingent Assets are neither recognized nor disclosed in the financial statements.

i. Prior Period Items:

Material amount of Income and Expenditure pertaining to prior years are disclosed separately.

j. Employee Benefits:

The Company has been advised that the payment of bonus act, 1965 and the payment of gratuity act, 1972 are not applicable.

k. Earnings per Share

The Company reports basic and diluted earnings per equity share in accordance with AS 20, Earnings Per Share issued, by the Institute of Chartered Accountants of India. Basic earnings per equity share have been computed by dividing net profit / loss attributable to the equity share holders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share have been computed by dividing the net profit attributable to the equity share holders for the year by the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti dilutive

l. Business segment

The Company's reportable segments consist of "Financing Activity", and "Others". The "Financing Activity" segment consists of asset financing, term loans (corporate and retail), channel financing and bill discounting. "Others" segment primarily includes advisory services, wealth management, distribution of financial products and leasing. Revenue and expense directly attributable to segments are reported under each reportable segment. Expenses not directly identifiable to each of the segments have been allocated to each segment on the basis of associated revenues of each segment. All other expenses which are not attributable or allocable to segments have been disclosed as unallocable expenses. Assets and liabilities that are directly attributable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as unallocable.

m. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.
